

Conheça os rolamentos POWELL

A força do custo x benefício.

Os rolamentos Powell foram desenvolvidos especialmente para garantir segurança e confiabilidade na aplicação de indústrias que buscam significativa redução de custos.

A marca é certificada com ISO9001 pela excelência na produção de rolamentos, resultado de anos de pesquisa e desenvolvimento.

Além de oferecer preços competitivos, a Powell tem como ponto forte uma extensa linha de produtos para diversas aplicações e operações.

Confira a nossa tabela de itens e consulte a nossa equipe para maiores informações!
